Greetings, everyone!

The 2023 season is in full swing. We've enjoyed several rally cross events and all but one of our rally points events, The Ridge

Rally

. Oregon Trail,

Rally

Colorado, and the newly revived Prescott

Rally

are all in the books. OTR was a very challenging event, both personally and for many others.

The organizers worked really hard to put on something really was solid and the weather cooperated as well.

Rally

Colorado and the Prescott

Rally

each offered their own challenges to competitors, with our rallyists feeling well-rewarded for their efforts.

By the way, **remember to add RallyData2.com to your safe sender list** in your email. This will ensure that you get the latest news and bulletins.

As your director, it is my privilege to set up the awards banquet at the end of the year so I've decided to get a head start on it. Mark your calendars now for January 27, 2024. We'll use the same venue we have used the last two years, Cisco's in Thousand Oaks.

People really seemed to enjoy the way we had time at the end of the awards distribution for bench racing and catching up with our rally friends in a non-competitive setting.

I hope to see you at our year-end banquet. The signup page will be available right after Thanksgiving.

It has been an honor to serve as CRS Director. I couldn't have done it without your help and the help of the CRS board, especially Mike and Paula Gibeault, Erik Christensen, and Amy Floyd. Now it's time to pass the baton. 2023 will be my last year as director. If you'd like to step up and take the reigns, or serve the CRS in some other capacity, please let us know.

I wish you a very happy Thanksgiving. Until next time...

Rally on!

John
