

What is it like to get sideways on dirt?

How much prep do I have to do to my car?

Where do I get a rally driver license?

How do I use this rally computer?

What is that language that rally co-drivers use?

What are these time cards for?

How should I practice left foot braking?

The **CRS Rally School** offers the answers to all of these questions and more! An intense 1 day with classroom and driving activities for future rally drivers, co-drivers, and rallycrossers.
February 21st in Ridgecrest, CA!
Get a car, grab your friends, and spend a weekend learning everything you need to know to get started and excel at performance rally!
