---

*What is it like to get sideways on dirt?*

*How much prep do I have to do to my car?*

*Where do I get a rally driver license?*

*How do I use this rally computer?*

*What is that language that rally co-drivers use?*

## It's the CRS Rally School, and you have to go!

---

*What are these time cards for?*

*How should I practice left foot braking?*

The **CRS Rally School** offers the answers to all of these questions and more! An intense 1 day with classroom and driving activities for future rally drivers, co-drivers, and rallycrossers.

**February 21st in Ridgecrest, CA!**

Get a car, grab your friends, and spend a weekend learning everything you need to know to get started and excel at performance rally!
