The Great Basin Rally Group LLC proudly announces the 2011 North Nevada Rally, July 8-9th. Based in Lovelock, NV, this year's rally will feature 120 stage miles of smooth and twisty Nevada desert roads. With a compact two-day schedule, competitors will recce Friday, race 40 night stages Friday evening, and then race all day Saturday, finishing near Gerlach, NV, with the awards ceremony later that evening.

NNR is sanctioned by RallyCar/RallyAmerica and part of California Rally Series, SouthWest Rally Cup Series, Bilstein Cup Class, and the newly created Joshua A. Norton Rally Championship. There will be ~$1,000 in prizes given out courtesy of Lucas Oil!

Competitors are expected from the Pacific North West, Northern and Southern California, Idaho and Arizona for some exceptional grassroots rally competition.

Organizers are still recruiting volunteers for all positions, so this is your chance to come out and support one of the few rallies available in the Northern Nevada/California region. Volunteers (and competitors) can register online at www.RallyData.com .
