Even if you weren't able to attend this year's [CRS Rally School](#) , held via Zoom, CRS members still have access to it. By logging in with your CRS password (green box at [rallydata.com](#)) you will see the link to the videos (lectures and Q&A sessions) as well as the slides and Supplemental Materials. There is plenty of valuable information to guide you, whether you're a beginner or you're experienced, a rallycrosser or rally driver/co-driver. So join CRS if you haven't yet!
